S.H. & H. Chapman,

Gentlemen:

I would like to know what is the best price you will pay for one 1804 Ext rare silver dollar the last one I know of was bought in Denver, Colo. however I know of a party that has one in fine Con and it has been in his hands for a number of years no other dealer has ever seen it. and I have good word that he was offered several hundred dollars for it from the Treasury here. no other dealer or Collector has seen it. even Collins has never had a chance at it. if you will give me a close offer. I will try my best to land it for you. this man is up a little on Coins. but I am most sure he is anxious for the Cash. If I buy it. it will be examined at the Treasury first. I think between $900.00 and 1100.00 will get it. is there any special point about the 1804 $ that you will let me know in regard to its edge Etc
